End of Broadcast

**Should the game be tied after the 4th quarter, field may or may not toss to position #31 prior to overtime. If the break is taken, then position #32 becomes the end of game spot. If it isn't, then position #31 will be taken at the conclusion of the game and position #32 will follow as usual.

PRODUCTION NOTES

COMMERCIAL SEQUENCE

CMN is not in control of when commercial breaks can be taken, as it is dictated by game play or the network televising the contest. As a result, some commercial positions may not air in the exact order that they are scheduled on the above format. For example, should a quarter end before all the formatted commercial positions have aired, we will jump ahead to the break scheduled for the end of that quarter. However, any skipped commercial positions will be made good at the first available opportunity.

STATION MAKEGOODS

If any Station Positions are not accommodated as scheduled, make goods will be given at the first available opportunity with the following cue: *You're listening to the NFL on Compass Media Networks*

STATION ID

At or near the top of every hour stations will have the chance to air a :10 second legal ID, the cue for this will be *"Lets pause :10 seconds for station identification, You're listening to the NFL on Compass Media Networks"*

FLOATERS

As time allows, several network positions may be inserted into the commercial sequence with the cue: There's a break in the action, you're listening to Compass Media Networks, this is the NFL

TECHNICAL FORMAT NOTES

CMN NFL games can be received using the Dial-Global receivers

Relays

Relay 1- stopset start

Relay 2- Station ID

Relay 3- End of Game

There will not be a relay to indicate the start of a program, as they have hard start times.
