## PRODUCTION NOTES

### COMMERCIAL SEQUENCE

CMN is not in control of when commercial breaks can be taken, as it is dictated by game play or the network televising the contest. As a result, some commercial positions may not air in the exact order that they are scheduled on the above format. For example, should a quarter end before all the formatted commercial positions have aired, we will jump ahead to the break scheduled for the end of that quarter. However, any skipped commercial positions will be made good at the first available opportunity.

### STATION MAKEGOODS

If any Station Positions are not accommodated as scheduled, make goods will be given at the first available opportunity with the following cue: *You're listening to the NFL on Compass Media Networks*

### STATION ID

At or near the top of every hour stations will have the chance to air a :10 second legal ID, the cue for this will be *"Lets pause :10 seconds for station identification, You're listening to the NFL on Compass Media Networks"*

### FLOATERS

As time allows, several network positions may be inserted into the commercial sequence with the cue: There's a break in the action, you're listening to Compass Media Networks, this is the NFL

### TECHNICAL FORMAT NOTES

CMN NFL games can be received using the Wegener receivers
