

TECHNICAL INFORMATION

NFL, COLLEGE FOOTBALL & COLLEGE BASKETBALL GAMES

Satellite:	AMC-8
Transponder:	23
Polarization:	Vertical
Orbital Location:	139-degrees West
Receiver:	Wegener i6420 Media Server
Automation/Relays:	K1-Stopset, K2-ID, K3 End of Game

Equipment Recommendations:

We recommend a 3.8-meter (12-foot) solid professional antenna with a PLL LNB for reception of programming. The receiver requires a dedicated Internet connection.
