Schnitt is a proven performer, hard-worker, and ratings winner.

EARLY YEARS

CHR radio was Schnitt's initial focus and where he sharpened his skills and learned how to captivate an audience via audio production, pace, and theater of the mind. Schnitt was part of Scott Shannon's team at legendary PIRATE RADIO in L.A. & WPLJ-FM in New York.

GOING SOLO

Schnitt leaves WPLJ-FM in 1992 to host his own CHR morning show. After brief stint in West Palm Beach, Schnitt hired as morning show host of legendary POWER PIG in Tampa (now WFLZ FM). MJ Morning Show has dominated Tampa ratings under Schnitt's leadership.

Previously, Todd was co-host of The Len Berman & Todd Schnitt Morning Drive Show on the legendary WOR 710 New York while continuing to host The Schnitt Show nationally from January 2015 - October 2017.

SYNDICATION & TALK SHOW LAUNCH

Success of MJ Mornings leads to regional syndication to other CHR outlets including St. Louis. But Schnitt yearns for more challenges and launches The Schnitt Show in 2001 first on WIOD 610 in Miami and then WFLA 970 in Tampa. The Schnitt Show quickly tops ratings in both Miami and Tampa in afternoon drive – having the unique distinction of hosting two different top-rated drive time shows in Tampa. Regional stations added to The Schnitt Show throughout the Southeast.

NATIONAL SYNDICATION:

In 2010, Compass Media Networks secures the national radio rights to The Schnitt Show. The Schnitt Show now broadcasts live from Beasley Media Group's WFHS 1010 AM Tampa, Florida flagship. In 2012, Schnitt left MJ Morning Show but as Todd returned to his home in Tampa in 2020, so goes the MJ Morning Show, now broadcasting live mornings on Beasley's legendary Q105 Tampa.

Schnitt is a proven performer, hardworker, and ratings winner. "KXNT had a 0.2 prior to bringing Schnitt to the NewsTalk 840 AM line-up. Todd Schnitt has become the catalyst we were looking for in middays. Now with a 1.3 our middays have become stronger and we continue to see growth."

> — Andy Vierra, Program Director, KXNT-AM

The Schnitt Show broadcasts LIVE From Beasley Broadcast Group's legendary WHFS 1010AM Tampa.

WIOD 610 Miami: Longest affiliate. For nearly ten years, **The Schnitt Show** has been the top-rated news-talk show in afternoon drive. Based on success in Miami, Ken Charles (then-Regional Programmer for iHeartMedia) added **The Schnitt Show** in Greensboro and Raleigh.

WAVH-FM Mobile, Alabama: The Schnitt Show consistently ranks as top syndicated program in afternoons.
