ABOUT THE SHOW

Loudwire Nights is the fastest-growing rock show in radio and is based on the popular rock brand LOUDWIRE.COM, the leading rock fan destination. With five hours of ROCK weeknights, the show features interviews with the biggest artists, performances, and rock music trends.

In the tradition of Loudwire Nights, **Loudwire Weekend** plays ALL the Rock that matters. Plus you'll hear rare live versions, special blocks built around Core artists, and even some great songs you may have forgotten about.
