

BIG D & BUBBA

MORNINGS 5AM – 10AM

ABOUT

Big D

Started in radio when Big D was 14 years old at a 1000-watt Christian radio station in Cookeville, Tenn. By the age of 17, hosted his first talk show, which led to his morning gig on an oldies station in the same city.

First country radio experience was he was 19 in Billings, Montana, where he fell in love with the country lifestyle.

Met his wife Kathy in Billings. Big D and Kathy have two sons, Zak and Gunner.

Something that you may be surprised to learn; In high school he was an Exchange Student, and spent time in Russia...before the wall fell....when it was still Communist! Talk about crazy! Seeing that, and the way that the poor people of Russia lived and suffered under that regime really helps solidify his love for the Good 'Ol USA.

A private airplane pilot, and a big aviation buff, you can usually find him tinkering around the hangar messing with the plane when he's not on the radio.

At 14 years old, Bubba became a disc jockey at the local radio station in his hometown of Houma, LA.

Ever the nomad at heart, he went on to use radio to travel the world and worked at stations in places such as Guam and Tokyo. While working in those cities, I was able to travel extensively to countries & cities in Asia, Australia, and the South Pacific. Eventually homesick, he returned to the U.S. Trust Bubba, it happens to anyone who lives overseas for too long. You NEED America! Lol...

Other markets on his radio resume' include: Saginaw, Detroit, Michigan, Nashville, and El Paso, Texas. Other radio stints in various formats from Talk and Hip-Hop, to Rock & Classic Rock, in markets such as Reno, Nevada, Miami, Florida, New Orleans and Baton Rouge.

Bubba met his wife Stacey in Baton Rouge. Currently, they have three children (Olivia, Ava, and Frank).

A huge Frank Sinatra fan and a self professed "car-nerd" who uses free time to get behind the wheel. And, just like Big D...I too am also a private airplane pilot.

Big D & Bubba are very involved in the St. Jude Country Cares program and they also serve on their advisory board.

Since 2004, Big D & Bubba have raised more than \$3.6 million for St. Jude's. This is just the amount raised while Big D and Bubba were on the air. In total, their affiliates have raised more than \$7 million during that time.

When tornadoes devastated Tuscaloosa, Big D & Bubba flew in the very next day and anchored the wall-to-wall coverage for affiliate WXTT-FM.

According to Katie Evans, Associate Director for ALSAC / St. Jude Children's Research Hospital, "The total is nothing short of AMAZING!" She also noted that Big D & Bubba were "responsible for raising nearly 50% of the total toteboard" from the affiliate radiothons.

In addition to St. Jude, Big D & Bubba have also done customized shows for Children's Miracle Network. They have participated in radiothons for CMN for the last 11 years.

"Our station was involved in every aspect of the recovery effort and Big D & Bubba were a huge part of that. Despite having a syndicated morning show, our station was the most local when it mattered."
