"I am so excited to take my career to the next level, and words can't explain how grateful I am for this opportunity. My job is to try to make a listener's day just a little bit easier, and the fact that I now get to do that for so many people across the country is so humbling. The best way I can thank everyone is to try my best to be an inspiration, a breath of fresh air, and a friend to each and every person who hears my voice. Let's do this!" — **Kayla Thomas**

Kayla is the evening host on legendary Top 40 WPST in Trenton NJ.

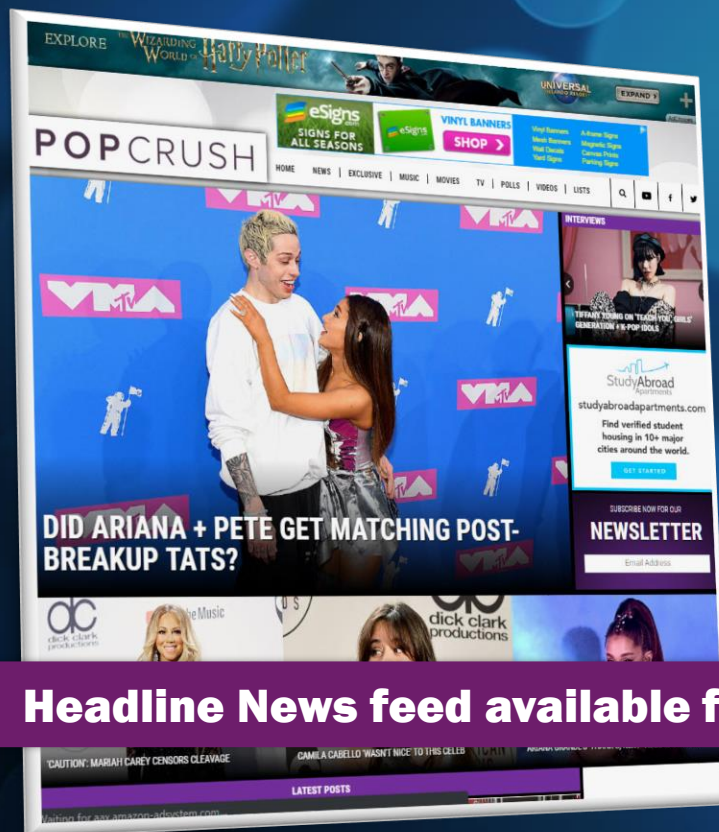

She was previously the midday host, #1-ranked on K92 in Roanoke.

A Maryland native and graduate of Liberty University.

Kayla's radio personality, YouTube video presence and all-around fun-spirited attitude are the perfect match for your CHR station and the PopCrush brand.
