I never refer to Compass Media Networks as a 'syndicator', as I have frequent, personal contact with Compass personnel whenever required. Further, everyone on the **DeDe In The Morning** may as well be in our studios here in Milwaukee!

They are responsive, outgoing, and communicative on a daily basis. THAT is called superlative customer service.

No cookie-cutter content.

They work hard to produce relatable, funny, topical conversation. Not surprisingly, that makes DeDe easily one of the top shows in-demo in Milwaukee!
