Since 2011, DeDe McGuire has been the host of “DeDe In the Morning” on **K104-FM** (Dallas, TX).

The show airs Monday through Friday from 5am – 10am.

Along with co-host **Lady Jade**, the morning show consistently outperforms all stations with top ratings in the Dallas/Ft. Worth market.

DeDe In The Morning is a “real life” morning show featuring a mix of the silly and the serious, with discussions ranging from popular daily news topics, current events and hip-hop culture, to comedy bits like the “Mad Minute” in which listeners prank-call friends and relatives, stirring them into bleeped-out frenzies.

The show often welcomes artists and guests into the studio for live interviews translating to strong social media engagement.

DeDe In The Morning is broadcast live weekday mornings from their KKDA/K104-FM Dallas flagship studios and available via syndication from Compass Media Networks, with or without music, along with a unique and segment-styled “DeDe’s Weekend Kickback” four-hour weekend show.

Nationally syndicated by Compass Media Networks

STRATEGY TEAM

DeDe
in the Morning

I never refer to Compass Media Networks as a 'syndicator', as I have frequent, personal contact with Compass personnel whenever required. Further, everyone on the **DeDe In The Morning** may as well be in our studios here in Milwaukee!

They are responsive, outgoing, and communicative on a daily basis. THAT is called superlative customer service.

No cookie-cutter content.

They work hard to produce relatable, funny, topical conversation. Not surprisingly, that makes DeDe easily one of the top shows in-demo in Milwaukee!
