"I get the chance to share some of the best events in Nashville with our audience," says Sutton. "From red carpets to number one parties, I want country music fans from coast to coast to experience what it's like to be there. It's about time we had an entertainment show solely dedicated to country music stars and events. It's a concept I've had in my head for a while, and I'm grateful to the teams at Silverfish and Compass Media Networks for helping bring it to life!" ***— Kelly Sutton***
