Does your brand deserve a new type of custom radio experience that is short on break length but long on impact?

### **FORMATS:**

RHYTHMIC CHR URBAN AC HIP-HOP / R&B HOT AC Rick has voiced promos for Fox, ABC, and is now the voice for ESPN's SportsCenter for weeknights as well as the newly minted voice for Audacy's The Score in Chicago and Seattle's Star 101.5FM

Sponsorships Available Now. Call (310) 242-8740

Do you need a strong midday followup from mornings, we got you covered with *Doctor Party! Rick brings* custom produced breaks ushering-in a professional energy to the overall branding presentation.

You name the daypart — We bring 4 to 5 short yet impactful breaks each hour as part of an exciting 4-hour radio program.

Each break is between :10 to :35 sec in length depending upon content needs as we create a custom clock so

your sonic experience meets your exact broadcasting needs.

Rick is one of the most diverse and travelled voices in the history of contemporary radio, he can tailor his voice and geographic dialect to any format so you don't have to put a square peg in a round hole.

Here are some custom sonic experiences prepared for various stations around the country including the show's flagship WBMX in Chicago.
