THE SHOW

The **ANNA & RAVEN** Show

Anna is a frenzied mother of two girls. She loves Zumba — and secretly Outback Steakhouse. She wishes she could spend every night dancing to late '90s hip-hop but instead is up with her one-year-old.

Raven is a married forty-something with way too many pets for his house. Sure, he can fix stuff but didn't he break it to begin with? He would much rather sit on his couch and watch eight hours of WW2 documentaries but it seems that there are always errands to run and chores to do.

**Together, they are broadcasting
The Anna & Raven Show
weekday mornings from 5:00 am.**

The show guides you through the wild world of parenting, relationships and pop culture as you drive into work.

"Couples Court" happens daily where a couple present their problems and you get to decide who's right. We know you have opinions!

"Can't Beat Raven" hooks you up with a prize if you know more trivia than he does.

"That's All I Need to Know About You" are quick judgements on people we run into during everyday life.

The Anna & Raven Show will make you laugh, give you something to talk about when you get to work and, hopefully, make your mornings a bit better.

ABOUT Anna

The ANNA & RAVEN Show

Anna Zap is a former real estate agent, stand-up comedian, and high school English teacher. Anna finally found her true calling, radio. She has been entertaining audiences for over a decade and partnered with co-host Jay Raven in 2015 to launch The Anna and Raven Show. Together, they've received numerous awards and accolades.

Anna is a first-generation American and is proud of her parent's Italian roots. She earned her undergraduate bachelor's degree from Pace University in New

York and her master's degree from Sacred Heart University in Connecticut. She married her college sweetheart, Paul, and they have two daughters that you can often hear on the air.

Her biggest passion, besides naps, pizza, and '90s hip-hop, is helping to raise awareness and funds for the many charities that she works with such as Make-A-Wish, the American Cancer Society, the Center for Family Justice, as well as her strong support for animal rescues.

ABOUT **Raven**

If you've spent any time listening to the radio over the last twenty-five years, you've probably heard Raven.

He started at nineteen and worked all hours of the day and night. Oh, and he also dealt cards in Vegas, poured concrete in Mass., and had a bit too much fun in Cancun.

Raven is married and you can hear his wife every Friday grading his husbandry for the week. He loves animals and does anything he can to help rescue dogs. He's handy around the house but also resistant to taking down the holiday lights until Memorial Day.

The **ANNA&RAVEN** *Show*

He remains deeply resentful of his parents for giving him a birthday so close to Christmas and ripping him out of good gifts his entire existence.

Raven also knows more about pop culture than any person should and is seldom humble about it during "Can't Beat Raven."

While he and Anna certainly argue, and sometimes even storm out of the room, Raven loves working with her and is excited to be on with his radio partner in crime.
